

To Whom It May Concern:

My name is Jostie Figueroa, I am Carlos Figueroa's son. I am a Sargent in the United States Air Force. I would like to say that I've been following this case closely and I can't believe how this case is being handle. In March 2021, in OPEN COURT the plaintiff questions the honorable court on whether it is a procedural violation when an AUSA states in OPEN COURT that there is no evidence as required to satisfy the elements of the indicted charges but insist on proceeding to trial despite such declaration in open court. Check the records, please! I had some of my military friends/paralegals and lawyers look at this case and they were dumbfounded on how this court allow this to happen. I would also state that on my father bail hearing, why wasn't he granted bail when my father since he was 18 years old have been living in Rochester his whole life, the district attorneys claim him to be a menace to society and a flight risk. I know My dad isn't prefect. He had trouble with the law back 2003, he got sentence to 5 years in federal prison and 5 years on parole. In 2010 he got in volition of parole because one of the apartment maintenance guys did something ridiculous, Outcome to the violation was my dad had to se.ve another year on house arrest, even though all, that my father still didn't leave Rochester NY. My father is not a menace to society, he is a man of God, always gives people a helping hand, and a hard worker. I can't understand how these false allegations have been put on to him. My father is a loving genuine guy. All the people that testified are all making false claims. My father might be hardheaded, but he doesn't make the same mistake twice. He lost so much time with his first two kids now it's happening to his last two kids. For this to happen again with NO EVIDENCE is absurd. My father works in construction, he rebuilds churches, houses, anything you can think of he would try to build, and there is proof of that. He is a self-made hard-working blue-collar man. My father got arrested with no probable cause, then the district attorney entered plead deals with other defendants to tie my father to this the case because they messed up. When they searched my father's house for 4 days, they didn't find ANYTHING except cash. Cash is not illegal; I understand it's unusual, but my dad is an old soul he's beer saving for a long time. Also, some of the cash didn't belong to him it belongs to my two younger brothers' college fund. I personally put my own money into the pot. I just can't find the reason why this court allowed the district attorneys to get away with so much nonsense. My father is innocent, there is no hard evidence that that ties him to the other defendants. Carlos Figueroa is an outstanding gentleman, please look deeper, there's more to this case. The district attorneys are painting their own image, shine light on the truth. Carlos Figueroa is innocent.

My name is Nishayra Gutierrez the fiancé of Carlos J. Figueroa. I know him since 2008 where he took my son Jarrel as his own son. From then on we had a son Jay Figueroa in 2009. I am so proud to say he is the greatest father ever. We have been together since 2008. I can tell you he is a great person. I am not just saying this just because I am his fiancé but I know the great human being that his is friendly, very helpful, respectful, loving with all people & family, friend & ex. Please consider viewing all this case cause I know my fiancé Carlos Figueroa is not at all that person of what they are saying. He is a working man, who loves being super helpful in church, who loves working in his family restaurant with his family & kids. It is very hard not having Carlos. My kids miss their father very much. We have been together in up and down. But please give Carlos back to his family & community. He is selfless and caring. He cares more about other people than himself. He does not like →

TO WHOM THIS MAY CONCERN,

I've known Javier for over 5 years, as a neighbor. I do not believe that he's a threat to our community whatsoever. I've felt very loved by him over the years of knowing him. He's like a father to me. Always treated me with respect, love & care.

I can potentially state how humble and kind of a person he's been to me. I very much miss him & know that he'd love to be with enjoying his kids as always. He has always told me to do better, follow my dreams, respect other & most importantly respect myself.

I love Javier for everything he's encouraged me to do & achieve.

We miss you.

a otros pero sin la ayuda de Dios primeramente y luego al Sr. Carlos Javier Figueroa. También Sr. Carlos Javier Figueroa ayudaba a los ambulantes en días festivos trayendolos a la Iglesia donde le supliamos su necesidad.

Este hombre ayudo a los niños de la comunidad a desarrollarse inculcando en sus percepciones amor al prójimo. Carlos Javier ayudo a niños de Argentina, Honduras y Guatemala a través del ministerio misionero. Muy agradecida con el y fue un hombre ayudador donde mandaba a limpiar alrededor de la Iglesia en invierno la nieve, yo tengo MS soy paciente y Carlos Javier gracias a el los hermanos discapacitados podíamos caminar en piso totalmente limpio preparado para poder evitar accidentes. No conozco del año 2013 hasta ahora y vivimos agradecido del Sr. Carlos Javier Figueroa.
